

Susan's Song

Kenn Long

G Em C G
You came to me in my lonely.
G Em C D
You gave your love like a precious gift to my heart.
 G Em C G
And you led me to rainbowed meadows.
 G D G
Under blue skies of your eyes we did love.

G C
You...
G D
You...

G Em C G
You took your leave of my world.
 G Em C D
Then you ran away in the silver light of the moon.
 G Em C G
And you took with you all the happiness I had dreamed of.
 G D G
And you left me in the meadows of my fears.

 G D
In the moonlit, lonely meadows
 Em C G
of my tears.....
