Freeing you mind with a wave of your hand,  
F#m C#  
You are dreaming and walking in heavenly lands  
F#m E Am A  
Of flowers, and sunsets and love.

Hear all the music you never had heard before  
D E  
Playing and wrapping around your mind's ear  
D E C#  
Like rivers alive in the night.

D A  
Sleeping but seeing the dreams that you've had  
E7 A  
Taking place all in your head.  
C# D  
Walking but floating and loving each moment  
E  
That creeps by like seeds on the wind.

D C#  
I see a star fall; I hear the grass grow;  
D A E  
I feel the light on my skin.

Bm C#m  
I found a new day; I know tomorrow;  
D E  
I love all mankind again.

Em  
Don't take it away, don't bring me down,  
Em B7  
Cause I want to stay here forever.

Em  
Don't take it away, don't bring me down,  
Em D E7  
Cause I want to stay up here.

A E  
Tripping along with a song in your hand

You are dreaming and walking in heavenly lands  
D E C#  
Of flowers and light shows and love.
