

Garden Song

1

C Em F E
We have a garden – Jesus! What a sight it is.

F C F C
We did it all ourselves.

C EM F E
We needed food, but we're too broke to buy it,
F F C
so we decided on a garden.

G C
Peas, bean and carrots, onions,

E Am
Squash, radishes, and corn,

D7 G Gm
Lettuce, okra, and spinach and

G
red tomatoes, very red tomatoes,

G
big potatoes, fat and brown potatoes,

G
And cabbage! And pot. Bum Ba Da

F C
Plant a radish, get a radish,

G
la, la, la, la, la, la, la, la, -

C F D
We brought the seeds and then we planted

G E Am C#dim
them inside the little holes we dug in the neat rows

G
that we made with hoes and sticks and poles.

C C G Bdim G
Now the plants have started in to grow, and grow.
