Kenn Long

intro:

D F#mi Bmi D/A G A D D

D D/F# E /

I watch you a lot, whether you know it or not, I do –

A A7 D A

I stare at you all of the time.

D D/F# E /

I look in your eyes that see just a kid staring up at you happily;

A / Bm /

But that's exactly how I feel.

Bm Bm G Em

Sometimes we talk and I want to tell you how I feel,

Bm / A /

But I'm afraid you'd only laugh.

Bm Bm G Em

So in my favorite dreams, you come slowly to my room

Bm / A A+

And close the door and say to me:

D / E /

“I know how you watch – and I don't mind it so much at all –

G Em Bm /

I kinda dig your watching me.

G Em Bm G Gmi/Bb Dsus D

Cause I've been watching you watching me.”
